

Year 1

Hi Year 1!

It's the end of another week and now there are only two more weeks of school - we can't believe it! You received your school report this week and we know that your parents and teachers are really proud of the hard work you've put into your school work this year both at home and in school. You have also found out your new teacher for next year. I'm sure you are pleased to be staying with your friends. All the year 2 teachers are lovely and we know you will have a great year with them.

From Miss Bantock, Miss Henderson and Miss Morris.

DID YOU KNOW?

Fascinating Facts!

1. There are 4.1 million children aged 5-9 years old in the UK.
2. There are more 5-9 year olds in the UK than any other age.
3. When all your adult teeth grown, you will have 32 teeth.

Next week, you will be sent a powerpoint from your new year 2 teachers! They will be showing you pictures of your new class and explaining some exciting things about year 2!

Challenge of the week!

Next week, we are holding a **virtual sports day!** There are lots of fun sporty activities for you to try. Have a look on Google Classroom for videos and instructions of what to do.

How to look after your teeth!

When you have your adult teeth, it is very important to look after them because they are the only one you will get!
