

## What is non-statutory?

The puberty work in Jigsaw fulfils the requirements that sit under the 'Changing Adolescent Body' strand of statutory Health Education, and parents cannot withdraw their children from this. The content in red on the grid below could be deemed as 'Human Reproduction' and parents can request that their children are withdrawn from all or part of these lessons. Please find further information about the withdrawal process in our RSE Policy.

Puberty and Human Reproduction in Jigsaw 3-11		
Y4	Having a baby	The choice to have a baby, the parts of men and women that make babies and – in simple terms – <b>how this happens</b> (animations used – the Female Reproductive System)
	Girls and puberty	How a girl's body changes so that she can have a baby when she's an adult – including menstruation (animations used – the Female Reproductive System)
Y5	Puberty for girls	Physical changes and feelings about them – importance of looking after yourself (animations used – the Female Reproductive System)
	Puberty for boys	Developing understanding of changes for both sexes – reassurance and exploring feelings (animations used – the Male Reproductive System)
	Conception	<b>Understanding the place of sexual intercourse in a relationship and how it can lead to conception and the wonder of a new life</b> (animations used – the Female and Male Reproductive Systems)
Y6	Puberty	Consolidating understanding of physical and emotional changes and how they affect us (animations used – the Female and Male Reproductive Systems)
	Girl talk / boy talk	A chance to ask questions and reflect (single sex) (animations used – the Female and Male Reproductive Systems)
	Conception to birth	<b>The story of pregnancy and birth</b> (animations used – the Female and Male Reproductive Systems)
